human trafficking a treatment guide for mental health professionals is an educational and clinical resource for health care practitioners from any discipline who may encounter sex or labor trafficked persons the book s editors direct the baylor college of medicine anti human trafficking program in houston and in the last year they have identified close to 100 trafficked persons in their hospital s small inpatient psychiatry unit a rate that appears to be growing their extensive experience has made them uniquely qualified to pen this guide which is singular in delivering the background knowledge and frontline clinical strategies providers need to identify relate to and treat these psychologically wounded yet resilient patients each chapter begins with a compelling clinical case to bring the often horrifying conditions these patients have endured into focus and to contextualize the pertinent research assessment and treatment information that follows the chapters address epidemiology and screening general and specific management principles in different settings and specific topics such as managing concomitant substance use disorders issues pertaining

to children advocacy confidentiality and reporting requirements psychotherapeutic principles cultural issues and trafficked persons accounts of their own experiences with the health care system designed to enlighten and instruct human trafficking a treatment guide for mental health professionals is a wake up call and a wise and worldly companion for clinicians serving this overlooked population

christian sexual ethics operates from a place of privilege when it does not consider those impacted by its moral prescriptions a large majority of publications on christian sexual ethics consider choices and images abstracted from lived conditions of the people called to make these decisions as such it leaves out many for whom sex is neither welcome nor a choice as such these same texts present images of sexual subjects that marginalize those that do not fit as the book presents sexuality both christian and otherwise prioritizes a language of purity that strangles the life of those imaged impure the present book remedies this emphasis through the language of iconoclasm that blasphemes these images and opens theological reflection beyond the boundary of image based approaches utilizing a qualitative study of survivors of trafficking and those who grew up under evangelical purity teachings spaulding narrates sexual ethics in light of their testimonies and the theological resources of iconoclasm to articulate a more just and loving sexuality the new emphasis on sexual ethics not only resists the prescriptions that create the conditions of sex trafficking but the creation of new communities capable of solidarity and mutuality with those caught in the web of trafficking
