doctoral thesis dissertation from the year 2008 in the subject law comparative
 legal systems comparative law grade cum laude university of augsburg prof dr
 möllers course rechtsvergleichung kapitalmarktrecht language english
 abstract to the point four years ago the german act establishing the federal
 financial supervisory authority findag provided for a one stop financial
 services agency bafin which was to succeed three formerly independent public
 authorities for the supervision of banking insurance and securities whereas
 this on stop shop approach has been both acclaimed and criticized the us
 securities and exchange commission from its very beginning administered the

areas of corporate finance market regulation and investment although the missions of both supervisory authorities correspond the powers transferred and thus the means of operations differ sharply limited to the supervisory power for capital markets the thesis will analyse the agencies historical development governing law operations and legal means and conduct an estimate of their economic efficiency a comparison will help to provide suggestions for further legal design and development of the bafin in the following years veronika fischer geb 1982 promovierte nach dem studium der rechts und wirtschaftswissenschaften universität augsburg und dem abschluss als mba university of dayton im internationalen kapitalmarktrecht mit einem us forschungsaufenthalt university of north carolina sie ist einer internationalen unternehmensberatung tätig

the thoroughness of the text has to be admired it is an excellent starting point for students of palliative care which makes an important contribution to any library british journal of hospital medicine covers a plethora of topics ranging from the development of palliative medicine in different countries to clinical topics and bioethics an

this is the first comprehensive practical handbook on the topic of environmental social governance esg and its impact on the real estate industry the sustainability megatrend is still in its early stages in the real estate sector and there is a lack of standards practical examples and data the development is very dynamic and sometimes confusing and new complex requirements and regulations are constantly being added the authors an expert team of economists lawyers investors asset managers and engineers provide an overview of national and european regulatory requirements as well as current market developments they show what role esg plays not only in the areas of new construction renovation and real estate management but also in investment processes and real estate valuations contents esg and the real estate market esg and regulatory environment esg and real estate management esg in urban and project development
